Wire-to-wire (free hanging only)

- Wire-to-board
- Patented Terminal Position Assurance (TPA) feature

*Depending on circuit size, wire gauge and PCB design

📕 Voltage: 600V

Current: 18.0A*

UL 1950 Finger Proof Safe available

	Series	Description	Mates With/ Use With	Material	Circuits/ Wire Gauge	Features and Benefits			
Terminals									
Contraction of the second seco	43178	Male Terminal	Mates with 43375 Terminals Used in 43680 Housings	Tin Plated	14 to 18 AWG or double 18 AWG crimps	 Four points of electrical contact between terminal mating interface provides a more reliable electrical connection Patented integral Terminal Position Assurance (TPA) on mated male and female terminals. Activation is optional. Virtually eliminates terminal backouts from housing Male terminal part numbers available for use with 43680 plug housings that meet UL 1950 finger proofing in environments where contact safety is a consideration 			
	43375	Female Terminal	Mates with 43178 Terminal and 43160 Headers Used in 44441 Housings	Brass					
Single Row Housings									
	43680	Plug Housing	44441	Nylon, UL 94V-0	2, 3, 4, 5, and 6 Circuits	 Positive thumb latch on receptacle prevents accidental disengagement with plug or header Receptacle thumb latch has anti-tangle design to prevent breakage during harness assembly and improves production handling Polarized housings assure proper mating 43680 plug housings meet UL 1950 finger proofing requirements when used with designated 43178 male terminals. 44441 receptacle housings meet same requirement when used with standard 43375 female terminals 			
	44441	Receptacle Housing	43680 and 43160	or UL 94V-2					
Single Row Headers									
	43160	Vertical Header	44441		2, 3, 4, 5 and 6	 Individual part numbers available to match 1.57, 2.36 or 3.17mm (.062, .093 or .125") PCB thicknesses Optional PCB retention clips for secure retention of the header to the PCB prior to and during the solder process Special part numbers available upon request that meet UL 1950 finger proofing requirements 			
	43160	Right Angle Header	44441	or unfilled Nylon UL 94V-2*	ana o Circuits
